General Considerations:

- 1) Please follow the established schedule. If you believe special circumstances exist or additional sprint lanes are needed, please contact the officials or deck marshals.
- 2) Coaches should maintain contact with their swimmers as much as practical throughout the warm-up period.
- 3) Swimmers & coaches, please cooperate with marshals regarding procedures.
- 4) Swimmers should not step up on the blocks when a backstroker is preparing to start.
- 5) When using sprint lanes, swimmers must swim back in the adjacent general warm-up lane.

Thank you!
